NOVEMBER SEES WILL KILLEN'S RETURN WITH THE MESMERISING SINGLE 'OVERTHINKING'. BOASTING A FRESH SONIC PALLET AND WITH SUPPORT FROM MONOMYTH RECORDS, KILLEN IS SET TO TAKE AUTUMN 2019 BY STORM. WILL IS A FULLY FORMED SINGER SONGWRITER WITH A TALENT FOR CRAFTING INTIMATE SOUNDSCAPES AND MEMORABLE MELODIES THAT CAPTIVATE AND SOOTH IN EQUAL MEASURES.

After capturing the attention of millions online with the self produced debut EP 'Write You Out', Will has recently taken to the road to showcase his three piece live outfit, combining the most intimate of moments with a larger-than-life musical master class.

Overthinking's heartfelt lyrical content captures the twists and turns of Will's personal life; a process he describes as both "torture and therapy."

'There's a special warmth felt even when he's expressing sadness, he manages to project very clearly who he is through his voice, his words, the melody and his singing, that's something not easily done and something art should always strive to accomplish, I applaud him for that'. (MUSICTO.COM).
