PARADAEIS IS SET TO RELEASE HER MUCH ANTICIPATED "SUNTRAP" EP ON MONOMYTH RECORDS THIS SUMMER. BRIMMING WITH INTRICATE MELODIES AND STUNNING VOCALS "SUNTRAP" GIVES VOICE TO EXPRESSION THROUGH MUSIC AND SONICALLY EXPLORES A LOVE STORY BIRTHED THROUGH PSYCHEDELIA AND NATURE'S BEAUTY. THE "SUNTRAP" EP WILL TAKE YOU ON A JOURNEY, A GREAT JOURNEY THAT REWARDS MULTIPLE LISTENS AND WILL UNLOCK FABULOUSLY ABSURD AND BRILLIANT SONIC NUGGETS ALONG THE WAY.

Paradaeis is the pseudonym of singer-songwriter Rowan Thorsby originally from the Lake District UK. After moving to Leeds to study music, Rowan has plugged into the mains and supercharged her music with synths, sub bass and beats to create soundscapes that draw you into her world.

Paradaeis' live shows are eclectic and mesmerising and give a wonderful glimpse into this brilliant young artists future.

"The hum of bees, glossy eyes, hot summer haze, flying high with the butterflies and the thrill of the drop as we dive headfirst into dark water. I don't want to forget this feeling. What even is this feeling?

I felt free to blend contrasting genres and influences (such as folk, synth pop, arabian rhythms and uk garage) creating a lush soundscape that cocoons the listener with love, reconnecting us with our favourite memories" RT.
