JOEGARRATT

JOEGARRATT IS SET TO MAKE HIS MONOMYTH RECORDS DEBUT WITH THE RELEASE OF HIS SELF PRODUCED & MUCH ANTICIPATED SINGLE "SWIM INSIDE" FEATURING ESKIMOH. THE BLEND OF JOE AND ESKIMOH'S VOCALS ON THIS TRACK COUPLED WITH THE LAID BACK BUT COMPLEX PRODUCTION STYLE IS REMINISCENT OF ARTISTS SUCH AS THE COCTEAU TWINS & THIS MORTAL COIL. THE TRACK REALLY IS AN EAR WORM THAT REWARDS MULTIPLE LISTENS AND WILL ULTIMATELY GET UNDER YOUR SKIN.

Joegarratt is a multi instrumentalist and producer based in Leeds UK. With over 2.5 Million streams on Spotify. Joe has recently worked with artists Leowi and Tisoki and his production and top line writing skills are very much in demand all over the world. Eskimoh is the alter ego of Jessie Piggot. Jessie is a well respected DJ and a specialist in producing mesmerising ambient soundscapes as well as providing a beautiful vocal performance on "Swim Inside".

"The song is about trying to suss what somebody means to you, a troubled relationship where both parties are losing feeling and losing touch but they are passive about it, hence the whole "look inside of me, see what you find" idea.

Constant miscommunication and dancing around the fact that things have changed, and that love and interest has been lost but time and convenience keeps them together, it's a sense of comfort".JG
