YORKSHIRE'S ART-ROCK 5 PIECE TRANQUA LITE ARE SET TO TURN HEADS WITH THE RELEASE OF THEIR PROGRESSIVE NEW SINGLE "I NEED ONE LEG FOR BALANCE". THE SINGLE EXPLORES THE VAST ARRAY OF INFLUENCES THE BAND CAN ENCOMPASS, PLACING THEIR PROGRESSIVE ROOTS INTO A PALLETABLE POPULAR CONTEXT. THE TRACK REWARDS REPEATED LISTENS, AS THE SONG LEADS YOU ON A NEW JOURNEY SECTION BY SECTION, EACH RICH WITH HIDDEN MELODIES, OFF-KILTER POLYRHYTHMS AND FRUITFUL HARMONIES.

Tranqua Lite have progressed to become a nationally recognised name, their most recent shows taking them to the likes of Reading and Leeds Festival and Kendal Calling. With plentiful support from BBC Radio 6 and BBC introducing, the band continue to hammer their live shows hard, showcasing their technical proficiency as well as their vibrant energy on stage.

"This is our most collaborative approach to songwriting as a band we've had so far, and the playful nature of the music really reflects that for us.

Despite the lyrical themes of struggle and hardship, it's such a fun song and we love watching people finding their own groove to it." - Ben, Lead Singer
